VIEW FROM THE BATHTUB

Designed to pamper the most demanding homeowner bathovision, from Unique Automation, is a frameless, flat widescreen LCD digital TV suitable for bathrooms, wetrooms and poolsides. Waterproof and remote controlled, with heated glass to combat condensation and a 178° viewing angle, bathovision screen sizes range from 23"-46". When switched off, the screen becomes a stylish bevel-edge mirror.

BELLA'S NEW BEDROOM COLLECTION

A clever mix of High Gloss Ebony and Black with the addition of Bella's innovative full length curved vinyl door emphasising subtle variations in light and shade gives this setting from Bella's new Bedroom Collection a look of real contemporary elegance.

The Bedroom Collection brochure will be launched in November. The new brochure follows hot on the heels of a very successful Kitchen Collection brochure, a new web site and current Television Advertising.

MAXIMISE FORM AND FUNCTION WITH PRONORM'S PROLINE 128 RANGE

With form and function being the cornerstone of contemporary design, Pronorm's new Proline 128 kitchen range in gloss white gives designers maximum potential for tailoring a kitchen to the precise needs of the customer and optimising user-friendliness. Proline 128 excels in ergonomics because all base and wall units can be increased or decreased in increments of 128mm until the perfect working heights are achieved to suit the customer.
